Thank you for contacting the Division of Licensing Services.
The Executive Order for remote notarizations has been extended and the practice is allowed until further notice.

Please watch for updates on the Governor's and our website.

Can you confirm your guidance on executive order 202.7 please.

Are video notarizations still authorized by executive orders 202.7, 202.13, 202.14 and 202.18 until May 15, 2020?

“ EXECUTIVE ORDER

In response to the COVID-19 (Novel Coronavirus) public health emergency, on March 19, 2020 Governor Cuomo signed Executive Order 202.7, which authorizes notary publics to officiate documents remotely. Specific procedures must be followed to remotely notarize a document. To help the public and notaries public understand the Executive Order, the Department has

prepared this guidance.”

By April 1, 2020, your home should receive an invitation to participate in the Census. *Please respond:* online, by phone or by mail.
